1965 marks the fifth year of existence of Marian High School. Not Soon To Be Forgotten

MEMORIES

Memories of hard work and fun. Memories of games and dances. Memories of homework. Ugh! And Senior Ditch Day. Yea! Memories of a locker that wouldn't budge. Memories that grew, as did our campus. Memories not soon to be forgotten.

VOICES

Voices of the classroom and outside the classroom! Voices of teachers and cheerleaders! Voices at rallys and plays; voices of friends. And who can forget the voices on away game busses.

SIGHTS

Sights of heartbreak and thrills. Sights of report cards (Oh brother!) and winning touchdowns. Sights of the Junior Prom and final exam papers. Our Senior Tree (What Senior Tree?), not soon to be forgotten.

Alas, the voices, sights and experiences of four years wane, but we are not soon free of the impressions they leave. Not soon free of our bonds to Marian. With us always are lasting memories, memories not soon to be forgotten.

The Homecoming Queen and her court. From left to right are: Lynn Baddeley, Mike McCormack, Patty Gebhardt, Pat Valdez, Bill Youmans, Vivian Kelley, Maurice Luque, Marilyn Wynn, Bill Bryant.

The year 1964 was made brighter by the Homecoming Dance. Marian students rallied to the occasion representatively. Over a hundred students attended the festivities at the Coronado Womens' Club. Soft lights were reflected from the bay and the music could be heard for blocks. The evening was highlighted by the crowning of Clara Maruca as Homecoming Queen. Clara was elected by the members of the football team from a group of five seniors. It was obviously a difficult decision.

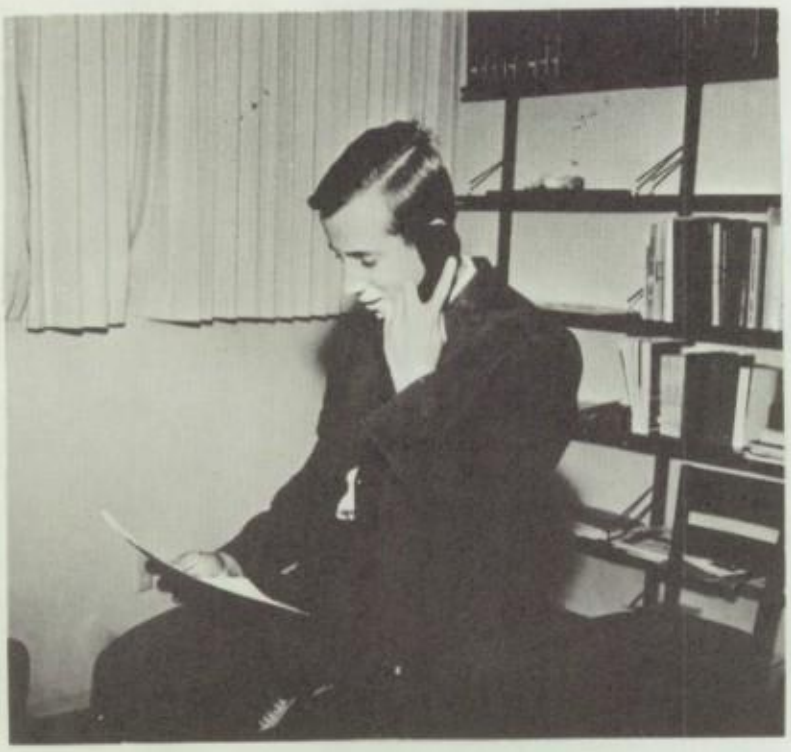
ASB Officers

Active Crusaders



Bill (Huck) Youmans has played a vital role on Marian's various athletic teams, in Marian's classrooms, as a member of many Marian organizations and most particularly as Marian's able ASB President.

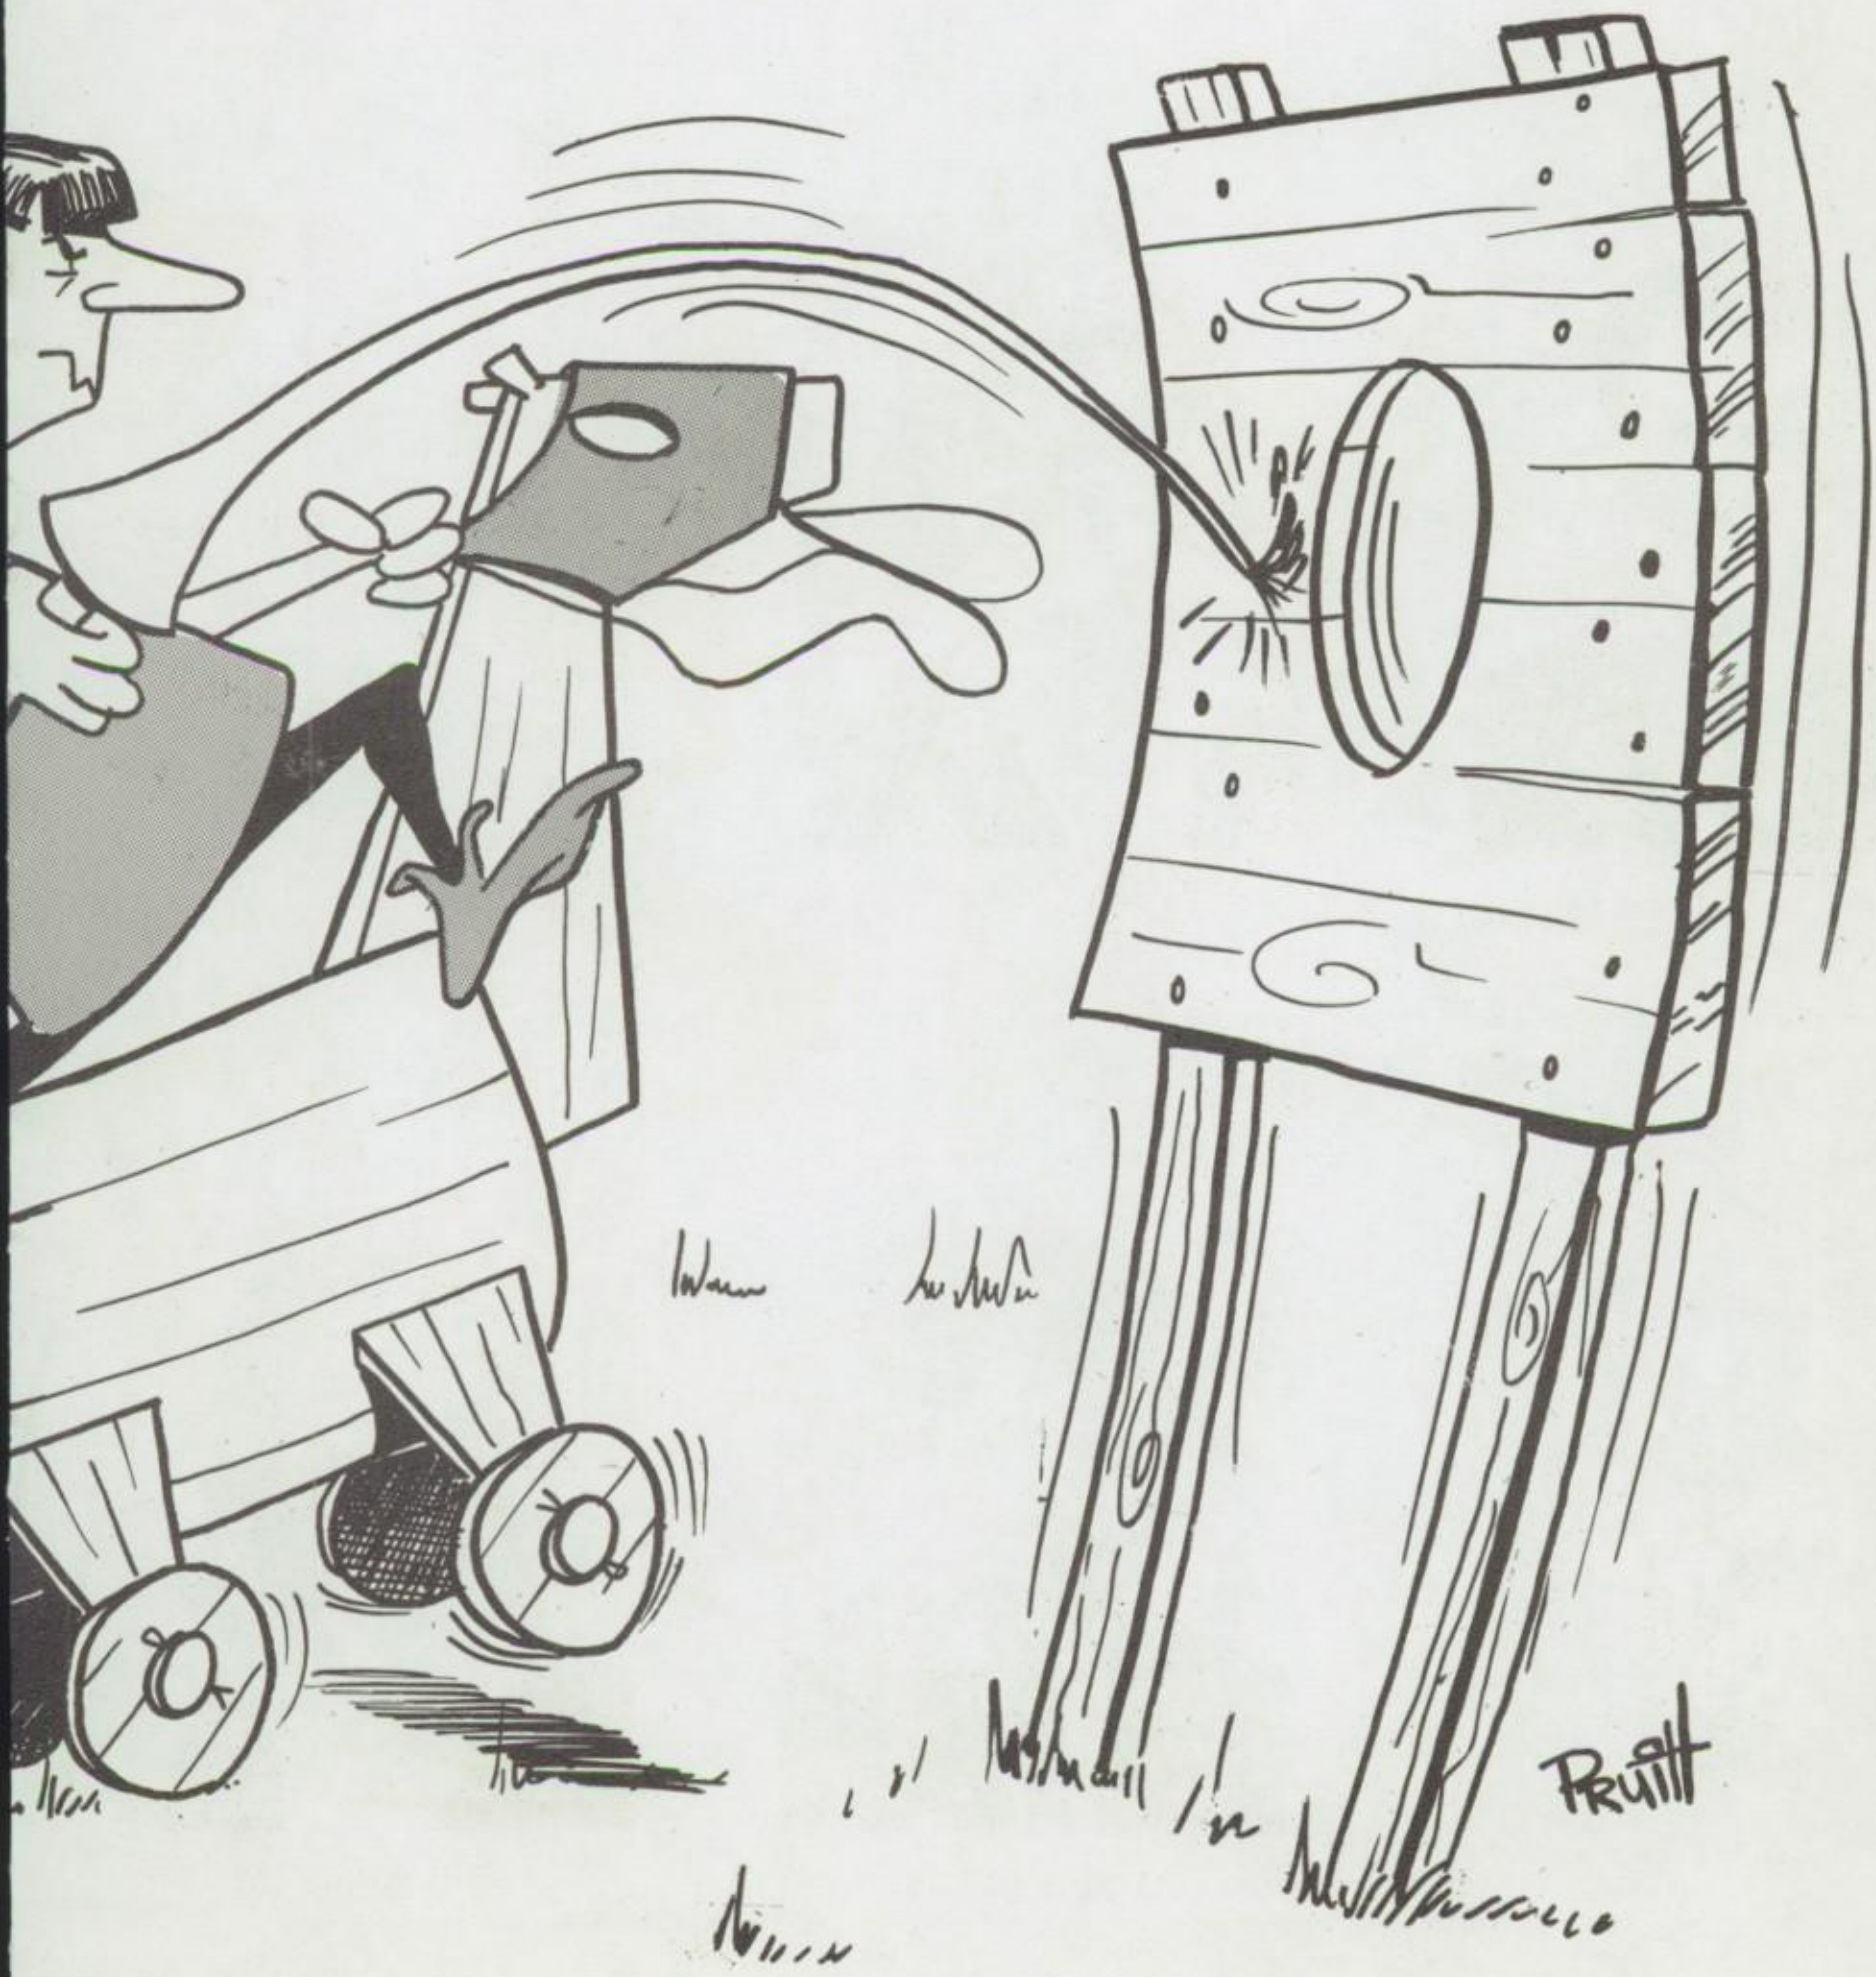
Clara Maruca, our well-rounded ASB Vice-President, has also left her mark on MHS. She will long be remembered for her outstanding energies directed toward the completion of our patios and landscaping of our grounds.

Mike McCormack, our dependable (and witty) ASB Treasurer, has guarded our cash and coin and kept our records straight in the true fashion of the noble Crusader.

Jonie Tomasula, our efficient ASB Secretary, has performed her tasks in the quiet and thorough manner, for which Crusaders admire her.

Underclassm

en



Juniors

The hope of tomorrow, or rather next year, the Juniors are herein contained. Although they have recovered from the ignominy of lower classmen status, they bear new bruises, those from the buffets of responsibility. Their favorite sport seems to be jousting with windmills or jesting with the Front Office. We must admit that their Prom, play-participation, and academic antics show hope and even a certain amount of promise for their future as Seniors.

Sophomores

Enter the "wise fools", one rung higher on the scholastic ladder, but still earth-bound Somewhat unsure of their new-found stature they try hard and fail gracefully. Their contribution to the school can be summed up by witless witicisms, unspontaneous combustion, and rare but robust athletes. Up that ladder they must go, rung by rung until the bell of accomplishment be finally ..... you said it ..... rung.

Freshmen

We shall begin at the bottom with the youthful countanences of our academic infants, the Freshmen. They bring vigor and vitality to the campus, and what else? They bounce about the compound bringing joy, chaos, and essence of surf-suds to class and activity. Marian welcomes them and wishes them speedy progress and rapid growth into our non-pareil Senior Sophistication.

The Page staff, under the leadership of co-editors Bill Babic and Donna Lockridge, produced Marian's quarterly news magazine for the students. As Marian took its place in the community the Page expanded its scope to include news from off-campus and commentary on events affecting students. Strong and sometimes sarcastic observations from the Page evoked equally vehement replies from some students.

The Page combined the customary school newspaper and literary magazine into an eight to twelve page magazine. The Page staff strove to incorporate the best of the two media, factual news and excellence in style.

Bubbling over with pep and enthusiasm our crusader Cheerleaders have more than fulfilled their position for the year 1964-65. Clad in Blue and Gold outfits, voices that carry these six young girls have helped to build up the spirit in the school "we love the best . . . . . MARIAN!"

Wagner dazzels San Miguel with his footwork as he picks up blocks from Fortier (78), Leeper (77), Christie (on ground), Arrigoni (88). Marian went on to win 20-0.

INJURIES MAR CRUSADER GRID SEASON

Scores of injuries, both minor and serious, turned last year's perfect league record completely around as Marian's Crusaders struggled through an unhealthy season of no wins and five losses in league play and a two and six record over all. But there is a reason for everything and this is no exception. Marian's first game was indicitive of many in the fact that a broken ankle, a broken arm, and a serious concussion joined forces to sideline three Crusaders. And this was just the start. The final game at Ramona saw Marian start a hybrid team of second and third stringers, with a smattering of J.V. players, in on emergency substitution, plus a very small portion of the original starters.

In nonleague play the Crusaders opened their season against LaJolla Country Day with an encouraging 35-0 romp. Fun and games ended here as Marian was stopped by Calexico 20-6, but bounced back the next week with the usual win over San Miguel, 20-0.

The tables were turned in league play as the Crusaders were overburdened with injuries, and dropped every game. Poway started things rolling with a crushing 33-0 defeat of the Marian eleven. The following week Army-Navy's six points accounted for the second league loss. Carlsbad followed suit tumbling Marian 33-0, during the homecoming festivities. San Marcos piled on the fourth defeat with a decisive 26-6 thrashing. Ramona topped it off with a quite unexpected 20-0 field day.

Touchdown Marian!!!!! Dennis Fortier (78) snatch-es a Miranda pass in the end zone scoring 6 for Marian.

"Com in' through!!!" cries unidentified Marian right half-back. But Army-Navy has other ideas.

Richard Monschein (white jersey in for-ground) drags tackler as he rips off a 20 yarder.

Bill Youmans (47) and Bob Maruca (44) make a jolting tackle on a San Miguel pass-receiver. The fumble following was grabed off by the alert Marian defense.

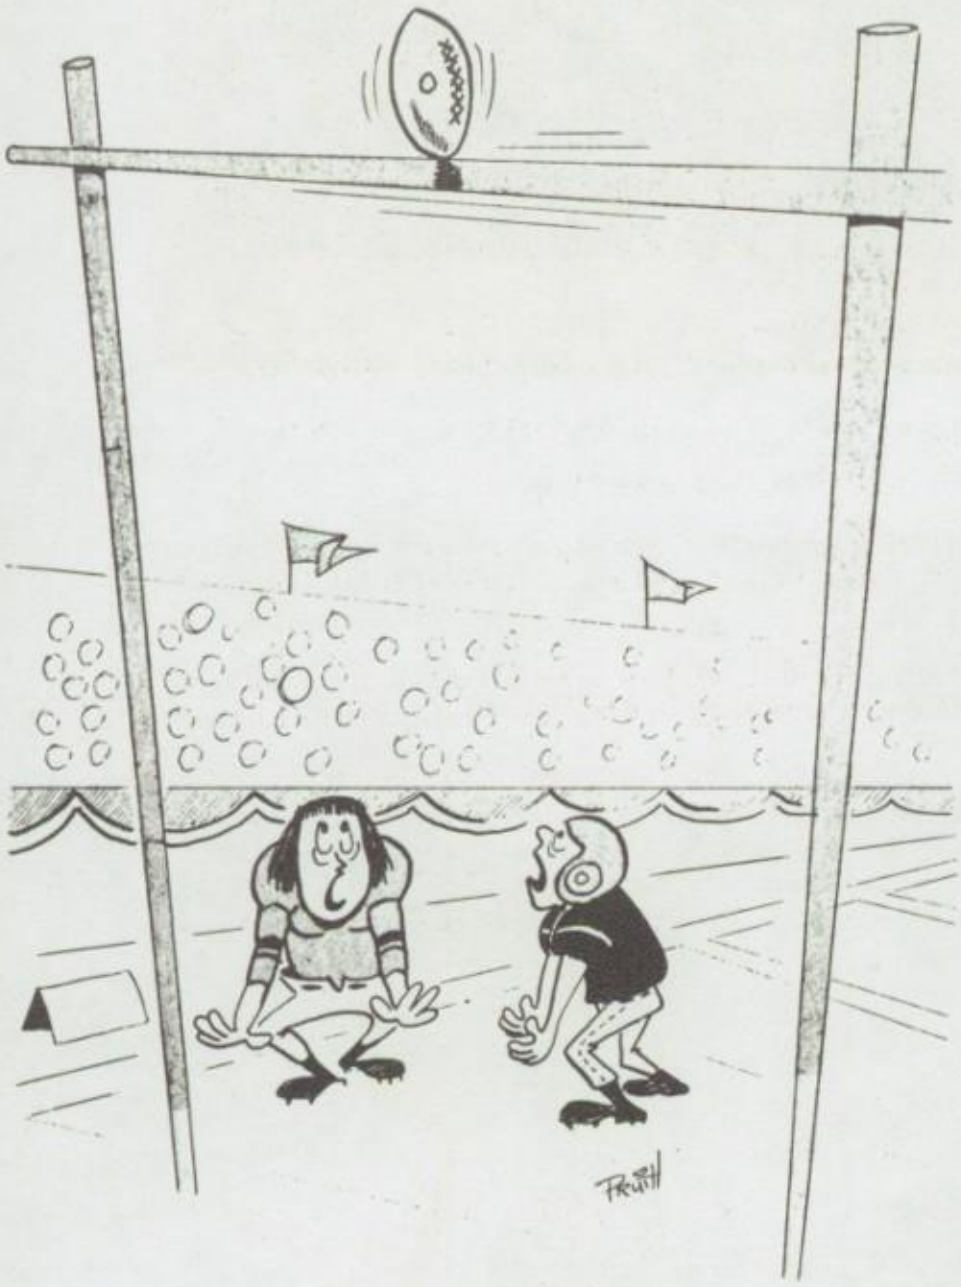
BOB KEYES



Jim Perry (on ground) scores a vicious tackle. The fumble following was picked up by Howard Mees (33).

It looks like the end of the road for Little (82) as an "end around" meets disaster. Seconds later Moran (60) blasted the Carlsbad tackler and Little romped 15 yards.

Jamie Miranda stretches out a long pass play from quarter-back Jim Perry (not shown) against Army-Navy. Marian lost the hard fought game 6-0.

J.V. PLACES FOURTH IN FIRST PALOMAR SEASON

The somewhat less publized J.V. team of the charging Crusaders, salvaged a fairly better accord in League play than our Varsity team (two wins to three losses) but concluded with the identical 2-6 total of the Varsity.

The season jumped off to a flying start with a gratifying 18-2 vistory over Saint Agustine's sophomore team. Mar Vista's 36-0 win over the Crusaders was followed by the first game of League play.

Poway edged out Marian in a thrilling 7-6 cliff-hanger. This fired up our Blue and Gold team, for the next week they evened the season record with a convincing 14-0 over Army-Navy, Carlsbad and San Marcos tacked on two sucessive losses outscoring our Crasuaders 31-12 and 27-0 respectively. The season closed on a happy note, however, with a spectacular 14-0 victory on the cold Ramona field as Marian surprised the Bulldogs.

CRUSADER REBOUNDS

Man should not judge a book by its cover. Neither should a team be analyzed on the basis of its record alone. Marian High's basketball team finished the season with an overall record of 9 wins and 21 losses and a mark of 5 wins and 5 losses in league action which netted them a tie for third place in the rugged Palomar League.

This record was attained under the trying conditions of playing much larger schools and of having no school gymnasium in which to practice and play games. The spirit, drive, and hustle which was this team's trademark enabled them to overcome these obstacles and the resulting fine record is a tribute indeed to the coaches, Mr. Chapman and Mr. Keyes, and the players on the team.

Bill Youmans, who won the league's scoring title - setting a school record in the process - and a place on the first team of the "All Palomar League" team, Richard Monschein, who was an all-league "Honorable Mention", Jerry Loffredo, Terry Arthur, and Bill Bryant will be lost through graduation. However, prospects for next year look even brighter with such fine players as Jay O'Neill, John Warner, Dennis Fortier, David Ramm, Bill Kelley, David Clingan, Tom Wagner, and Joe Garry, ready to take over the helm.

Crusader Tip-ins

This year's J. V. Basketball team performed its main duty - to train future stars - well and simul taneously compiled a fine record of 9 wins and 9 losses. Due to the excellent coaching of Mr. Keyes, such outstanding players as Doug Veling, Steve Bajo, Bob Maruca, Gerry Quisnell, Dennis Downs, and Bill Daley are ready for varsity competition.

Crusader Pinch-hits

If a team could win a championship on the basis of hustle alone, then the crusaders certainly would be the champions of the Palomar League. However, experience is also needed to win titles and this year Marian had only four seniors on its baseball squad. Center-fielder Bill Youmans, catcher Gabriel Torres, and infielders Surgio Moran and Pat Hamilton will be lost through graduation and Marian will be sorely pressed to replace ballplayers of their outstanding caliber.

Nevertheless, hustle was the main key that enabled the Crusaders to record an overall mark of 9 wins and 11 losses and a record of 9 wins and 6 losses in league action which gave Marian a tie for second place in the Palomar League.

However, prospects for next year look much brighter since there will then be six seniors, three juniors, and three sophmores returning with letters. Hard-hitting outfielders Howard Mees, Richard Brown, and Mike McCormack, along with first-sacker Bob Hill, short-stop Danny Tello, and third-baseman Pete Zdunczyk will be back for their final season next year. Infielders Roberto Gutierrez and Jerry Herrera will be ready for action along with pitchers Oscar Parra, Jake Stohler, Tom Stuart, and Steve Bajo, who is also a promising hitter.

Coach Keyes deserves special praise for his work with the team. If experience is the best teacher, then Coach Keyes must be Mr. Experience himself, for he is entitled to a great deal of credit for moulding Marian's ballplayers into a great team. The players he has developed will continue to win games for Marian in the future.

Crusader Curves

Marian's J.V. baseball team achieved an overall record of 8 wins and 8 losses and a league mark of 8 wins and 6 losses to earn them 2nd place. It was achieved by the outstanding playing of players like Bob Maruca, Dennis Ramm, Ed Yandall, Tom Brocato, and Ernest Candelaria. Coach Bartlett certainly deserves a salute for his work.

TRACK & FIELD TEAM

In track and field this year the Class C thin-clads outshined their elders (classes A&B) as they shot, ran and vaulted their way into a Palomar co-championship with San Marcos, both sporting 4 wins and 1 loss records in league competition. Marian's eight in class A turned in an overall 0-7 tally as the B's salvaged 2 wins in six meets. The accompying table gives all scores of the rain-lengthened season.
